Dear ASAE Executive Members:

ASAE has an annual tradition of recognizing the outstanding accomplishments of our members. It is once again time to gather nominations. Specifically, we are requesting submissions for the following awards:

- Excellence in Communications
- Ken Graves Award
- Partner of the Year
- Emerging Leader

Applications for each award, as well as the requirements for submissions, are included in this packet. We look forward to receiving many submissions for the outstanding work we know has been taking place over the last year. As an alternative, you can also choose to submit through an online form located at <https://www.arksae.net/awards>.

NEW THIS YEAR! Please note that the Excellence in Communications Awards are divided into **three categories**, according to association annual budget levels.

Each category has two levels of entries: **1. Single Piece** (brochure, newsletter, annual report, website, social media, video, podcast, etc.) and **2. Overall Campaign** (any program or event that used more than one medium by which to promote it).

Submissions for all awards are due by midnight on June 14. We look forward to honoring the winners on the evening of July 18th at the 2023 Annual Convention in Fort Smith. To register for the annual convention, please go to www.arksae.net/annual-convention.

Please contact Leigh at office@arksae.net or 501-223-9188 with any questions.

Sincerely,
